III.  CHAIR’S REMARKS

Chair O’Sullivan thanked everyone for attending the meeting. He welcomed the newest member of the Board, Kishane Patel.

Kishan was elected as UWF’s Student Government Association’s President on April 14, 2017. He is entering his senior year as a political science major and plans to attend law school after graduating from UWF. The week before the BOT meeting, Kishane was elected chair of the Florida Student Association. That appointment automatically grants Kishane a seat on the Board of Governors.

Chair O’Sullivan congratulated Vice Chair Dave Cleveland and Trustees Greg Britton, Jay Patel and Robert Sires on their appointment confirmations by the Florida Senate. Their terms continue until January 1, 2021.

IV.  PUBLIC COMMENT

Chair O’Sullivan reminded those present that time has been set aside on the agenda to allow public comment on matters coming before the Board. He instructed anyone wanting to speak to complete a Request to Address the UWF Board of Trustees form as required. The forms were available on a table in the rear of the room and should be provided to the Board of Trustees’ recording secretary, Becky Luntsford. No requests were submitted.

V.  ACTION ITEMS

1.  Approval of 2017-2018 Update to the University of West Florida Work Plan was presented by Dr. Martha Saunders.

In response to Board of Governors Regulation 2.002, the University of West Florida (UWF) Board of Trustees is required to submit annual updates to the University Work Plan for
consideration by the Board of Governors. The work plan is designed to “outline the university’s top priorities, strategic directions, and specific actions and financial plans for achieving those priorities, as well as performance expectations and outcomes on institution and system-wide goals.” The Board of Governors has indicated that each university’s work plan should “reflect the institution’s distinctive mission and focus on core institutional strengths within the context of State University System goals and regional and statewide needs.”

Similar to previous updates, the 2017-2018 Update to the UWF Work Plan is organized around three concepts: (1) academic quality, (2) operational efficiency, and (3) return on investment. The update includes information related to strategy (mission, vision, strengths and opportunities, and key initiatives and investments), key performance indicators, and operations (fiscal information, enrollment planning, and academic program coordination). The update also includes information regarding UWF’s performance on ten performance-based funding metrics, as well as related goals for the coming years. Key components of the plan will be presented at the Board of Governors meeting scheduled for June 21, 2017 at the University of South Florida, Tampa.

Chair O’Sullivan asked the Board for a motion to approve the 2017-2018 Update to the University of West Florida Work Plan.

2. Approval of Amendment to University Policy BOT-08.02-05/14 Policy Concerning Naming Opportunities was presented by Dr. Meredith Brunen, Interim Vice President for University Advancement.

It is the intention of the University of West Florida to honor and recognize outstanding support of the University through the naming of facilities, scholarship, fellowships, and other funds that support the mission of the University. Naming recognition may be extended to individuals, families or appropriate organizations. Accordingly, the Board of Trustees for the University of
West Florida has adopted this policy to set forth guidelines for naming opportunities for the University.

UWF Advancement and the UWF Foundation follow the Policy Concerning Naming Opportunities, last approved by UWF Board of Trustees December 2013, amended and signed by President Bense May 2014. As the University and Division of University Advancement continues to build momentum during its 50th Anniversary Campaign and embraces Sea Change, the current Policy Concerning Naming Opportunities is limiting in terms of recognition and stewardship for our benefactors.

The proposed amendment to the Policy Concerning Naming Opportunities will reflect a more donor-centric process in terms of recognitions and stewardship while protecting the University’s interests. General Counsel reviewed and approved the proposed amendment on May 8, 2017.
