On February 22, 2017 the State of Florida Auditor General released the report on the audit of the financial statements of the university for the fiscal year ended June 30, 2016. Our audit showed that basic financial statements were presented fairly, in all respects, in accordance with prescribed financial reporting standards.

Our audit did not identify any deficiencies in internal control over financial reporting that are considered to be material weaknesses. No instances of noncompliance or other matters required to be reported were noted.

Ms. Bowers reminded the Committee that this Work Plan is a living document and may be revisited at any point during the fiscal year and modified accordingly.

Ms. Bowers reported that in 2016, UWF Internal Auditing & Compliance performed a self-assessment (as required by BOG REG 4.003) of its operations and the results were evaluated by a validation team in November 2016. Their validation report was received on March 30, 2017. UWF received the highest rating, “generally conforms.”

**ACTION ITEMS**

1. **Approval of Changes to UWF REG 4.008 Tuition and Fees, Fines and Penalties** was presented by Ms. Colleen Asmus, Associate Vice President for Finance and University Controller. Ms. Asmus began her report by stating that no increases in Tuition or Mandatory Fees are proposed this year by the University.

Changes to the Regulation include:

- The Graduate Market Rate Tuition section has been changed to show the tuition amounts for each program separately; and
- In the Other Fees section, the Third Time repeat fee, which is set by the Board of Governors, is increasing from $177.57 to $181.12
If approved by the Board today, UWF/REG 4.008 will be sent to the Board of Governors (“BOG”) for approval. This regulation is a select regulation and it cannot go into effect until it is approved by the BOG.

2. Rescinding Material and Supplies Fees Request was presented by Interim Provost, Dr. George Ellenberg. Dr. Ellenberg explained that a Material and Supplies Fees request for AY 2017-18 was originally presented at the February 21, 2017, Finance, Facilities & Operations Committee for approval.

The Committee sent the request to the full Board for consideration at its March 23rd meeting. Then, at a special meeting of the Finance Committee held on March 16 that recommendation was rescinded and the item was tabled for consideration at the Committee’s May 25th meeting. At the May 25th Committee meeting, the University requested that its original Material and Supplies Fees Request be rescinded and the Committee approved rescission of the original request.

3. Approval of Amendment to UWF REG 6.0055 Procurement Actions Not Subject to Competitive Solicitation Process. This presentation was presented by Ms. Angela Jones, Director of Procurement & Contracts.

Ms. Jones explained that the proposed amendments to this Regulation provide the following:

- Inclusion of public and open competitive solicitation as a condition to utilizing cooperative purchases;
- Limitations on contract extensions and renewals;
- Clarification of the “advertisement” exemption to remove the purchase of media placement services as an exempt service; the direct placement of an advertisement toward a targeted audience, remains exempt as these cannot be competed, but media placement services can be competitively placed.

Dr. Steve Cunningham, Vice President and CFO, shared the updated five-year Fixed Capital Outlay Plan with priorities endorsed by President Saunders placing emphasis on UWF as a destination choice for our students, faculty, staff, community, and the region.

The 5-year Educational Plant Survey process was recently completed for the university and the proposed capital improvement priorities reflect the outcome of the EPS review. The Campus Master Plan will be internally updated to reflect the projects and priorities outlined in the updated Fixed Capital Outlay Plan.

Dr. Cunningham reported that the PECO eligible project budgets will be updated prior to the August 1, 2017 submittal date to the Board of Governors. He provided a summary of the key points and recommended changes for the PECO Plan, as compared to the most recent Plan approved by the Board of Trustees on June 15, 2016.

Per Florida Statute, every 5 years, each university conducts an Educational Plant Survey (EPS) to determine space needs by space type necessary for the academic mission, university operations, and accommodating the institutions faculty, staff, and students.

Dr. Cunningham provided the Committee with a report outlining the recommendations of the Educational Plant Survey Team.

The Board of Trustees must review and approve the EPS prior to the President submitting the survey to the Chancellor. The new survey will supersede previous surveys.

6. **Approval of the Continuation of The Green Fee** was presented by Kishane Patel, Student Body President and Trustee.

Trustee Patel explained that The Green Fee is a student lead initiative that was approved by the BOT and the BOG for implementation effective Fall 2012. The Green Fee is a mandatory student fee currently collecting $0.75 per credit hour and is intended to fund projects and activities to enhance sustainability practices at UWF.

Every five years, BOG Regulation requires the university board of trustees to review the fee and determine if the fee has met its intended outcome and decide whether the fee should be increased, decreased or discontinued.

UWF’s student body and Student Body President Patel supports the continuation of the fee and our Committee voted to continue The Green Fee.

7. **Approval of Amendment to UWF REG 3.014 Public Expression, Assembly and Distribution of Written Materials at UWF** was presented by Mr. James Felder, Interim General Counsel. Mr. Felder explained that in the current Regulation UWF/REG 5.050, the location of the Designated Public Forum for public expression on campus is very close to the entry of the Pace Library.

Library patrons have stated that they can hear the speakers in the Designated Forum area while trying to study so the location of the Designated Public Forum is being moved back from the entrance of the Library and far enough from the Library.

The new location will be marked with signs indicating that it is the Designated Public Forum.
