CHAIR’S WELCOME

Chair O’Sullivan welcomed and thanked everyone for their attendance and participation in the UWF Presidential Search process.

CALL TO ORDER/ROLL CALL

Presidential Search Committee Chair Mort O’Sullivan called the meeting to order at 9:00 a.m. and asked Becky Luntsford to provide a roll call.

Dan Doyle, Jr. participated by phone. Clay Ingram was absent.

Chair O’Sullivan restated the charge he gave to the Presidential Search Committee on February 1, 2016: The UWF Board of Trustees appreciates the Presidential Search Committee’s willingness to undertake this important work that will lead to the appointment of the next president of the University of West Florida. One of the most important elements to this search process is that this Committee gather input from all the university’s constituencies. That is why each of us was asked to serve as on this special advisory committee to the UWF Board of Trustees. This Committee was charged by the Board of Trustees to conduct an active national search to attract highly-qualified candidates. In meeting our charge, the Search Committee solicited nominations and applications from all interested parties ensuring a large and diverse qualified pool. The Search Committee was further charged with making periodic reports to members of the UWF community and to the Board of Trustees about the progress of the search which we have done. We have evaluated the applications and qualifications of each candidate against the criteria for the new President set forth in the Presidential Prospectus.

Chair O’Sullivan explained that the committee’s final responsibility per the Presidential Search Timeline was to, at this meeting, prepare a presentation of an unranked list of at least three candidates the Committee deems worthy of the UWF Board of Trustees’ consideration.
INVITATION FOR PUBLIC COMMENT

Chair O’Sullivan explained that time had been set aside to allow for public comments on matters coming before the Committee. He directed anyone who wanted to speak to complete a public comment form and provide to Becky Luntsford.

He explained that each candidate had participated in Open Forum Presentations with UWF Faculty, Staff, Students and members of the Community; meetings and events with members of the UWF Board of Trustees; the Presidential Search Committee; the President’s Extended Cabinet and Staff; and events with Community Leaders.

III. SEARCH FIRM UPDATE

Chair O’Sullivan invited Dr. Jan Greenwood with Greenwood/Asher & Associates to provide the Committee with a final search firm report.

Dr. Greenwood thanked the committee the opportunity to assist with the UWF Presidential Search. She presented a leadership summary handout to the Committee indicating candidate survey results for each of the four final candidates. These results were compiled by Greenwood/Asher from the Survey Monkey survey that was made available to UWF staff, faculty, students, leadership and the community for providing input on each candidate following his or her interviews on campus.

Dr. Greenwood recommended the university secure another company to conduct a deeper background check on the final candidate.
IV. SELECTION OF CANDIDATES FOR CONSIDERATION BY THE BOARD OF TRUSTEES

Chair O’Sullivan reminded the committee their charge was to provide a minimum of three candidates unranked to the Board of Trustees.
