UWF Board of Trustees
Discussion – Healthcare Education Opportunities
Institute for Human and Machine Cognition
40 S. Alcaniz, Pensacola, FL

February 22, 2012 3:30 pm

Called to Order 3:37 pm

Trustees in attendance:
Lewis Bear, Jr. & Pam Dana

Others in attendance:
Dr. Judy Bense, Brice Harris, Dr. David Marker, Dr. George Ellenberg, Dr. George Stewart, Dr. Rick Harper, Janice Gilley (via conference call), Julie Sheppard, Scott Luth, two communications arts students.

Discussion – University Healthcare Education Opportunities
Collaborative advanced degree programming and research was discussed between UWF, IHMC, USF and the Andrew’s Institute in the areas of Physical therapy and robotics. The institutions will work on proposals to get the academic programs in place and a design for a facility for future joint use. It was also determined that this project has strong economic development potential for our community.
