Policy/Purpose: This policy is being proposed to encourage increased undergraduate enrollment and diversity at UWF through the National Student Exchange program.

National Student Exchange Waiver Policy

The UWF Coordinator for the National Student Exchange program will identify which students are eligible for the NSE waiver consistent with the following guidelines:

1. NSE waivers of out-of-state tuition may be granted for non-Florida resident undergraduate students who are enrolled through the NSE program under Plan A at UWF.
2. The number and value of the NSE waivers authorized pursuant to this policy will be accounted for separately from other types of waivers and the effectiveness of this policy to achieve the objectives will be reviewed by the Provost/designee annually. These waivers are in addition to and independent of the undergraduate waiver allocations.
3. The Provost/designee has the authority to set a cap on the number of or maximum value of the NSE waivers awarded per semester.

Approved by University of West Florida Board of Trustees on February 25, 2005.
