Using the My Classes app

Overview

Here you will find instructions on how to view your class schedule using the MyClasses app in MyU WF. MyClasses includes access to your Class Schedule, Detailed Course Information (including location), Syllabus (if available), eLearning (if available), Textbooks (if available), access to register a clicker, viewing the final exam schedule, and waitlist status.

The MyClasses app may be accessed from your mobile device, as well as your personal computer.

Students may also view their schedule via the Registration Menu app in MyUWF.

Instructions

Step 1

Access the My Classes app via MyUWF.

Mobile Device

A list of courses will be displayed per term for each term in which you are enrolled, and one term in the past. Tap on a course to display the course details. The course list can be refreshed by clicking the refresh icon above the course listing.

**Waitlist Status**

If you have signed up to be on the waitlist for a course, this will be shown at the top of the semester course list in blue. The course listing will show your spot in line as well. [View instructions on using waitlists](#).

If a spot opens up for you and you need to register for the course, the notification will appear at the top of the page outside of the normal semester lists. It will display a countdown letting you know how much time you have left to register for the course before the spot goes to someone else. You will need to follow the instructions in the notification email in order to register for this course.
