This is our “Healthy for Life” philosophy:

It’s simple. We believe that good food is essential to a healthy life. Our commitment is to help you power your life on campus with good food and a dining program that makes it easy for you to eat right.

It’s why we have healthy and wholesome choices available every day and it’s why we have nutrition and wellness programs that help take some of the mystery out of healthy living.

Individual support and attention for students with food allergies.

We recognize and accommodate your dietary needs in a way that’s personalized, sensitive and supportive. In fact, we pride ourselves on working with you to make sure you can find the food that fits YOUR life. For more information or special dietary needs, please contact UWF Dining Services via email at dining@uwf.edu.
