Addition, Modification, and Deletion of Specializations, Minors, and Certificates

### Policy Number
AC-13.02-04/14

### Responsible Office
Office of the Provost

### Originator
Dr. George Ellenberg, Vice Provost

### Current Status

### Abstract
The Florida Board of Governors has given each university board of trustees the responsibility and authority to promulgate policies consistent with BOG Regulation 8.011 and applicable accreditation standards for the approval, implementation, and review of other types of academic curricular offerings as defined in (7)(a)-(c). Such programs include minors, concentrations, areas of emphasis, tracks, college credit certificate programs, and non-college credit certificates.
