

Printing using the WEPA apps

Overview

This page provides instructions on student printing, using the WEPA print app.

Instructions

Step 1

Go to wepanow.com/printapp, the Apple App Store, or Google Play and download the **WEPA Print** app.

Step 2

Open the document on your computer.

Step 3

Choose **File>Print** and select either WEPA-B/W or WEPA-Color.

Step 4

Select **Print**.
