

Respondus Testbank Network

Overview

The Respondus Test Bank Network contains thousands of test banks for the leading textbooks in higher education.

Instructors who use "**Respondus 4.0**" or "**StudyMate Class**" can easily create online exams and learning activities from official publisher test banks.

Instructions

Access THOUSANDS of FREE test banks!

How? Watch this video: [Instructional Video](#)

- Once the page opens, **select the first "See How It Works" video.** (Respondus 4.0 and the Test Bank Network)
 - You will notice that there is also a video for "StudyMate Class & the Test Bank Network."
 - If you have this resource, watch the StudyMate Class video instead.

Basically, everything is done from Respondus 4.0.

- **Note:**
 - The period of time between submitting the test request form and receiving the email from the publisher containing the File Code and File Password may be 3 to 5 days!
 - You will need this File Code and File Password to register the test bank for **your** use.
 - So, plan ahead!
