

# Purchasing a PointSolutions License using eLearning

## Overview

This page provides instructions on purchasing a PointSolutions license using eLearning.

## Instructions

The PointSolutions License is required for all students who use PointSolutions whether they are using the handheld clicker or the ResponseWare App. The PointSolutions License ensures that student responses are collected in the instructor reports. Without a PointSolutions License, students will be listed as "Inactive" during class session. Students can purchase a clicker, a clicker pack, and a PointSolutions license using the PointSolutions link in eLearning.

### Step 1

Go to [MyUWF.edu](https://myuwf.edu).

### Step 2

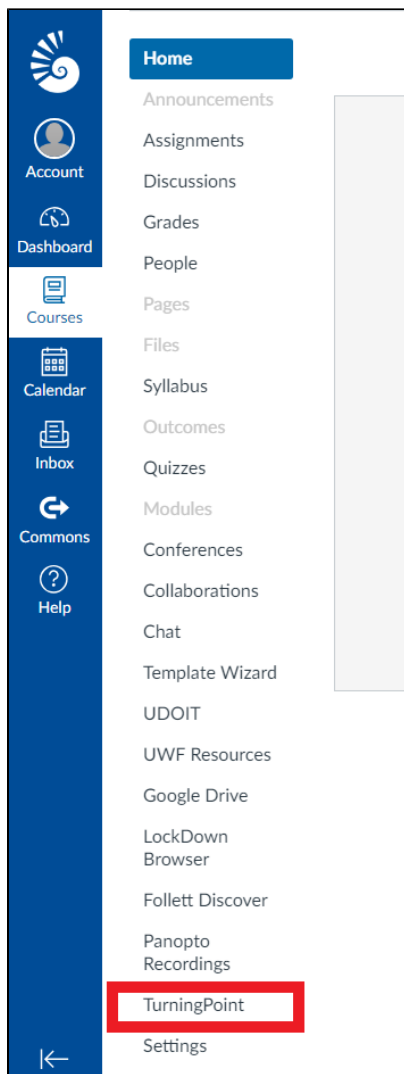

Click on the **eLearning** app.

### Step 3

Click on an eLearning course.

### Step 4

Click **TurningPoint** in the eLearning navigation bar.

## Step 7

Sign in to your Point Solutions Account. If you do not have a Point Solutions Account, you will need to create one at this time. For more information on creating a Turning Account, see [Registering a clicker and license using eLearning for Students](#).

Step 9

To purchase a Subscription / License, Click **Add or Purchase a Subscription** located under Subscriptions.

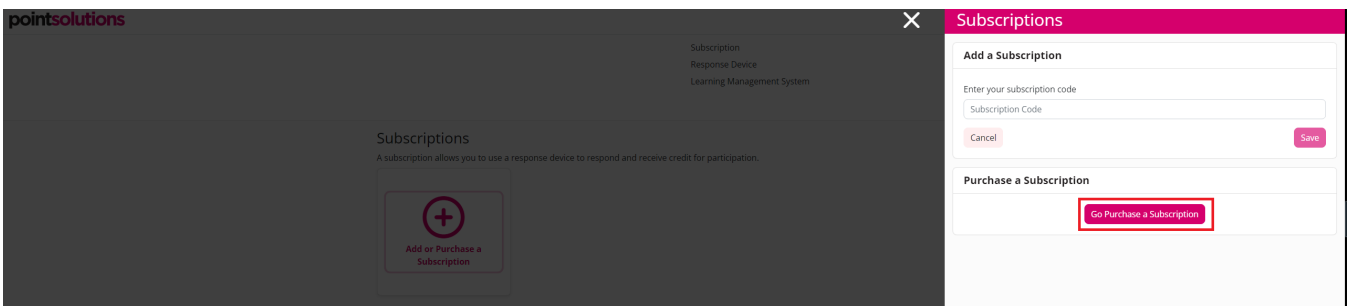

## Subscriptions

A subscription allows you to use a response device to respond and receive credit for participation.

## Step 10

You can now enter a subscription cod here or click the **Go Purchase a Subscription** button.

## Step 11

Inside the store page, you can purchase a clicker bundle which includes a handheld clicker and a five year license. You can also purchase just a one year license.
